Client Update No. 3

08 February 2016

## **Installation of Water Meters by Harare City Council: Madokero Mews**

---

Please be advised that Harare City Council, in conjunction with your Developer shall begin the installation of individual water meters to your apartments. You are therefore required to pay connection fees at Harare Water Offices at Old Mutual House, Cnr Sam Njoma/Speke Avenue, by the [14<sup>th</sup> of February 2016](#). The connection fee to be paid is \$127.00 per flat. Please note that this fee is for the installation of water meters and not for the purchase of the meters themselves. The Developer has already purchased the meters for this purpose.

Furthermore, also note that we have already opened the water/rates accounts for each apartment and a number from a sequence of 1 – 190 has been used to identify each apartment in the billing system at City of Harare. For easy of reference, we have correspondingly matched the apartment identity number per your water/rates account with City of Harare with your actual flat number in the table below.

We emphasize the need to pay for your water meter installation within the time stated above as failure to do so would lead to termination of water supply to your flat.

Should you have any queries regarding the meter installation, please do not hesitate to contact our Borrowdale Sales Office or Madokero Site Office.

We would like to thank you very much for your cooperation in this exercise.
