Madokero Gardens / Mews : Water Meter Installation Requirements by City of Harare

Further to our Client Update No 3 dated 8 February 2015 concerning the installation of individual water meters for your flats at Madokero Gardens and Madokero Mews, please be advised that in addition to the required amount of \$127.00, Harare City Council, also needs you to produce the following for account opening at Harare City Council, Water Banking Hall, Old Mutual House, Corner Speke Avenue / Sam Nujoma Street, Harare:

1. Original Agreement of Sale and a copy
2. Copy of National ID or Passport / Certificate of Incorporation if Corporate
3. The amount for water rates accrued from August 2015 has been billed to the new account.

In situations where the account opening process is undertaken on behalf of the owner, a duly executed affidavit will be required.

Kindly note that these are City of Harare billing and account opening requirements according to their procedures / systems. Once the payment has been made, kindly make allowance for at least 48 hours so that the relevant paper work can be taken to Mabelreign District Office where you can then make a follow up on the actual water meter installation.

We thank you very much for your cooperation in this exercise.
