Exodus & Company is pleased to announce that, in terms of Section 41 of the Regional Town and Country Planning Act (Chapter 19.12), the Ministry of Local Government, Public Works and National Housing has issued out the Development Permit for Mabvazuva housing project in Ruwa.

In light of this development, we are now working on the modalities to enable you to submit your house plans to the local authority for approval. We expect to have completed this exercise by the first week of June 2018.

We encourage our clients that were affected by the delay in the issuance of the development permit to contact us for any clarifications on the next steps.

In the same vein, we encourage those whose payments have fallen behind to make arrangements to update their payments.

For further clarity on the aforementioned development, please contact us on anyone of our communication platforms. (Telephone, Website, WhatsApp, Facebook and Twitter)

The Exodus & Company Team would like to thank you very much for your patience and support. Moreover, we sincerely apologise for any inconveniences caused.
