Client Update 53

Architectural Services for Housing Plans

We would like to inform all our valued clients at Madokero Estate that Caesar Zenda, the resident architect who was helping with your house plans, has left the company. In his place, we have a new resident architect; 'Patrick Guswana' who is based at our Madokero Site Office.

Patrick is also available on [+263771528262](tel:+263771528262) or you can email him on patrick@exodusandcompany.com.

If you have any outstanding work with Caesar, please let us know so that Patrick can take over that work.

Please note that you will be required to produce your receipt for the house plan fee in order to access this service, as has always been the case.
