Client Update No. 10

30 October 2013

Update on Certificate of Partial Compliance on Second Batch of 347 Stands

In response to the anxiety created by our earlier update on the captioned matter, we have tabulated below the stand numbers affected for your reference. We now await the issuance of the signed Partial Certificate of Compliance on these stands, which will enable those who have met their contractual obligations with us, to build their houses.

The Madokero Team continues to value our relationship with you and would like to remind those whose payments are not up to date to kindly honor them.
