Client Update No. 33

20 March 2015

## **Issuance of Certificate of Partial Compliance - Phase Two 611 Stands**

---

As promised in our last Client Update 32 (02/03/2015), we are glad to inform you that we have secured the 5th Certificate of Partial Compliance from the City of Harare, with 611 stands in Phase Two that have been deemed fully compliant, under Permit Number SDWR/01/12 of 10 April 2012. The Partial Certificate of Compliance is a certificate that identifies a section of the development or stands that are fully serviced and thus approved for occupation and construction of houses.

Therefore, those whose stands are listed below can now submit their building plans to Mabelreign District Office for approval and those who have paid for their stands in full can commence building on their stands.

We would like to thank you and ask for more patience as we continue to do our best to secure the certificates of compliance for the remaining stands.

However, those who have not paid for their stands in full but have paid at least half of the purchase price and would want to commence building can approach our Borrowdale Offices for authorization thereof. Exodus & Company continues to value our relationship and would like to remind those whose accounts are in arrears to pay up.
